

KEY

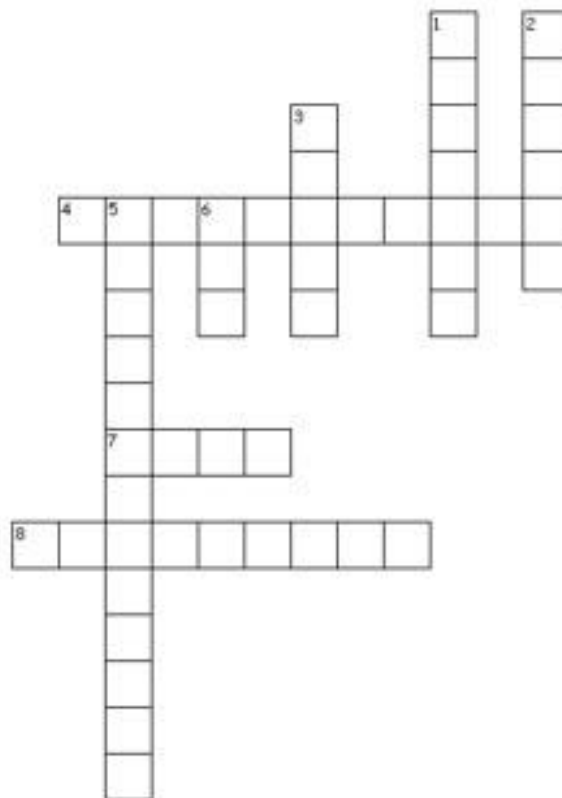

CLIL Lesson : Saving water in the kitchen and in the bathroom!

⇒ Watch the following film and do the exercises.

link: <https://www.youtube.com/watch?v=43lr3eOnHHI>

1 Are you in the mood for a crosswords puzzle? Here we go!

Erasmus +

ACROSS

4. Lasting for a long period of time - **sustainable**
7. It swims in the sea - **fish**
8. In a good way - **correctly**

DOWN

1. Difficulty - **trouble**
2. A hot meal, most of the time in the evening - **dinner**
3. To waste - **spill**
5. In an unpleasant way - **uncomfortable**
6. You find it in the kitchen and in the bathroom - **tap**

2 There are a lot of idioms with 'water'.

Idioms:

- You're in deep water.
- You're in hot water.
- I feel like a fish out of water.

Choose the appropriate idiom, what idiom could you use in the following 3 situations?

Situation 1:

Marie doesn't feel comfortable when she takes a shower without running water. She always takes a shower with running water.

Marie feels like a fish out of water.

Situation 2:

Sofie enters the kitchen and sees that her mother is using too much water when she is cooking dinner.

What does she say to her mother?: You're in deep water.

Situation 3:

My boyfriend has forgotten my birthday. I will be very angry with him.

He is in hot water.

3 Time to ask questions about this topic to your neighbour! Ask 6 questions to your neighbour, and use the present simple (habits) . You can write them down first.

4. Have you watched the clip well? Are the 10 following sentences true or false? If they are false, correct them!

	True	False + Correction
You need to close the tap while washing your hands.	*	
The people in the video aren't spilling too much water.		They are spilling too much water.
I feel comfortable about using too much water.		I feel uncomfortable about it.
Some people don't know how to do things correctly, sustainably, ...	*	
Someone is cooking with too much water.	*	
All the pupils act sustainably.		Some people are unsustainable.
We need to be economical.	*	
We should throw the water away when we finish dinner.		We should put the jug in the fridge and save the water for another dinner.
We should wash our teeth while the water keeps running.		We should stop the water while we wash our teeth
The water wasn't hot while we were brushing our teeth.	*	

5 Tapescript of the text of the clip with gaps. Use the words from the box.

***tap – spilling – uncomfortable – jug – way – waste – correctly –
difficult – sustainable***

- STOP!!!!
 - What's wrong?
 - Close the **tap** while washing your hands you're **spilling** too much water!
 - Oh, sorry, I just feel like a fish out of water...
 - What do you say?
 - I feel **uncomfortable** about it...
 - I'll show you the correct **way** to wash your hands!!
-
- Warning!! You're **spilling** too much water!
 - Really? Oh... I don't know how to do it **correctly**. How should I do it then?
-
- What are you doing?!!!! You're really in deep water now!
 - What?
 - You're in a **difficult** situation!
 - What's wrong?
 - You have to be **sustainable**! Look, this is how you should cook.
 - Orphee, we really have to be economical!
-
- NOOOO!!!
 - Look! We put the **jug** in the fridge and then we can save the water for another dinner.
 - That's a good idea!
-
- Noooo, Annelies! You're in hot water!
 - What? The water isn't hot!
 - No, I mean 'you're in trouble'! Don't do it that **way**. Do it my **way**.
 - This was a video with a few examples of how some people **waste** water.
